Re: Bonding Capacity Lundin Roofing Company, LLC

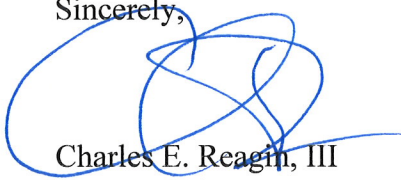

To Whom It May Concern:

Wright & Percy Insurance has specialized in providing bonding and insurance for the construction industry since 1883. We are writing to advise the following:

Lundin Roofing Company, LLC has maintained a continuous relationship with CNA Surety since 1993. During their long history with this client CNA has bonded fixed price projects in excess of \$1,000,000 and would consider any reasonable request for surety support. The bonding company, Western Surety (member of CNA group) is rated A XII by AM Best. This is a highly rated surety. Over the course of the relationship CNA has never received a trouble notice on any of Lundin Roofing work.

We are pleased to have the opportunity to assist this fine contractor.

Sincerely,
